Fieldhome Honors Its Employees and Trustees

CORTLANDT MANOR, NY, JUNE 15, 2011 — On Thursday, June 14, 2012, Fieldhome honored forty-two of its employees and trustees for their many years of loyal and dedicated service, including six employees celebrating their 25th year anniversaries.

The ceremony was dedicated to the 25th anniversary of the opening of Field Home – Holy Comforter. The then newly constructed 200 bed skilled nursing facility officially opened its doors on August 26, 1986, as the result of the merger of Field Home and The House of the Holy Comforter. More than 100 residents were transported by ambulettes from The House of the Holy Comforter in the Bronx to their new residence. In addition to the many employees hired from the local community, many employees from The House of the Holy Comforter also came up to work; in fact two buses were used to transport them back and forth from the Bronx. The Administrator who coordinated the entire transition was Judith Madden, who continues to oversee the management of the nursing home today.

Since its opening 25 years ago, Field Home – Holy Comforter has served thousands of residents and has seen many changes, including the addition of our Rehabilitation Program and The Early Learning Center. In 2003, the campus expanded with the addition of The Seabury. What has remained consistent throughout the years, however, is the level of professionalism and dedication of Fieldhome's staff.
