FIELDHOME Goes Purple For the Alzheimer's Association

Fieldhome celebrated the Alzheimer's Association's The Big Purple throughout the week from June 20–26. The staff, residents and children wore purple, purple wristbands were given out, the campus was decorated with purple balloons and purple-themed books were read at The Early Learning Center at Fieldhome. On Wednesday, June 23rd, there was a dedication ceremony for a purple flowering tree planted at The Seabury and the children from The Early Learning Center at Fieldhome presented handcrafted purple fans to The Seabury residents. Everyone enjoyed ice cream sundaes with purple sprinkles.
