**Neelam Narula, APRN, MSN,
Nurse Practitioner,
Joins Fieldhome as its
Sub-Acute Clinical Director**

CORTLANDT MANOR, NY, SEPTEMBER 6, 2011 — Fieldhome is proud to announce the addition of Neelam Narula, Nurse Practitioner, as its Sub-Acute Clinical Director. This is a newly created position that will result in continuous collaborative communication with our patient's physicians, decreasing the chance of re-hospitalization and minimizing the patient's length of stay. Fieldhome is the only sub-acute rehabilitation facility in the region to have such a strong medical presence in its rehab program.

For the past five years, Neelam has been an Evercare Nurse Practitioner for many of Fieldhome's long-term skilled nursing residents, acting as a liaison between their primary care physicians, families and Fieldhome. Prior to Evercare, Neelam has worked at Burke Rehabilitation Hospital, Blythdale Hospital and Northern Westchester Hospital.

Fieldhome offers a true seven day a week therapy schedule in its 1,500 sq ft rehab treatment center and separate occupational therapy suite. The rehab program focuses on orthopedic, neurological, cardio-pulmonary rehabilitation and general post-surgical rehab. Fieldhome is a not-for-profit community of caring services that also includes The Seabury at Fieldhome, a luxury assisted living residence, and The Early Learning Center at Fieldhome, a licensed and accredited child care center.
