

# The Seabury

at FIELDHOME

The residents of The Seabury at Fieldhome are creating thank you hearts **for the veterans at the VA Hospital in Montrose** to thank them for their service and sacrifices — and we are inviting the community to join us! Last year, with the help of local students, senior groups, Girls Scout Troops and others in the community, we were able to give the veterans more than 1,500 hearts!

## Make a Thank You Heart for a Veteran!

**Individuals and organizations** can create thank you hearts and drop them off at The Seabury **before Friday, February 9<sup>th</sup>**. The hearts should be 8.5 x 11 inches or smaller. You can include your contact information on the back of your card(s), if you like.

**Groups and organizations are** invited to come to The Seabury to decorate hearts with our residents (cards and decorating materials will be provided). Please contact us to schedule a date before Friday, February 9<sup>th</sup>.
